ORDER:

In the year 2014, the Government of Andhra Pradesh requested the Government of India to consider sanctioning an Indian Institute of Foreign Trade (IIFT). The Government of Andhra Pradesh also expressed its willingness to allot suitable land for the construction of the campus, as the bifurcation of the State of Andhra Pradesh through the A.P. Reorganization Act, 2014, had resulted in the residuary State being severely deprived of high-quality educational institutions, which are essential for the State's growth.

2. In the G.O. 1st read above, Government has issued orders for allotting an extent of 25.00 Acres in Plot (A) i.e. No.247 in Kakinada SEZ (Phase-I developed area) consented by the KSEZ, in favour of Ministry of Commerce & Industries, GoI, New Delhi on free of cost to commence the construction activity for establishment of Indian Institute of Foreign Trade (IIFT) and to register in the name of IIFT.

3. In the letter 2nd read above, Govt., have given consent to Government of India with regard to funding pattern ratio of 50:35:15 (50% GoI, 35% State Govt, 15% Industry) for establishment of the IIFT institution.

4. In the letter 3rd read above, the Commerce Secretary, GoI, informed that based on IIFT's consultation with the industry, it may not be feasible to mobilize industry's share of 15% for setting up of the IIFT's campus at Kakinada, A.P. and requested to consider funding the industry share of 15% as well, making the funding patter 50:50 between Central Government and State Government respectively for the IIFT's Kakinada campus. As per the preliminary estimates prepared by NBCC (India) Ltd., the capex for the project is estimated to be Rs.230 crores. In the letter 4th read above, the Commerce Secretary, GoI., New Delhi, has sought confirmation of Government of Andhra Pradesh for funding 50% construction cost of IIFT and requested to consider the funding pattern of 50:50 between Central and State Govt. In the letter 5th read above, Government of Andhra Pradesh has given consent to the Commerce Secretary, GoI, New Delhi, and agreed to bear 50% of the construction cost of IIFT at Kakinada.

5. In the references 6th and 7th read above, the Centre Head, IIFT, Kakinada has requested the Govt., to sanction an additional budget allocation of Rs.57.10 crores under the Budget Estimates (BE) for FY 2025-26, to complete the construction of IIFT, Kakinada Campus in this FY.

6. Government have observed that out of the total project cost is 229.81 Cr, more than 95% physical progress has been achieved and actions are to be taken to complete the project and make it operational by contributing 15% from GoAP (additional to 35% - which is originally agreed by GoAP) as per the proposal from GoI, Department of Commerce in February 2021.

7. Therefore, Government, after careful examination of the matter, hereby accord approval to revise the funding pattern of 50% GoI share and 50% GoAP share for the construction of Indian Institute of Foreign Trade (IIFT),

Kakinada Campus at an estimated cost of Rs.229.81 Crores and Rs.40 Cr for operational expenditure, against the previously approved funding pattern of 50% GoI Share: 35% GoAP share: 15% Industry mobilization.

8. Further, Government also accord approval for contribution of 50% CAPEX share (INR 114.90 Cr) from GoAP, for the construction of new campus at Kakinada and release of remaining INR 57.10 Cr in this FY 2025-26, so as to complete the construction of the IIFT, Campus in this financial year.

9. The Director of Industries, the Finance Department and the Centre Head, IIFT, Kakinada shall take further action in the matter accordingly.

10. This orders issues with the concurrence of the Finance (PMU-EAP) Department viede Endt. No. FIN01-PMU0EAP(APP)/24/2025-EAP FIN01-PMU0EAP(APP)/24/2025-EAP. C.No. 3049920, dt.26.11.2025.
